</table>

**Swipes**: A swipe allows entry into The Commons with no restrictions on the amount of food eaten during that entry. Plan holder may use as many swipes in one day as they wish, there is no limit per day, only per week. Unused swipes expire at the end of each week (Sunday) and re-set on Monday. Fall opening is Saturday, August 17, so plan holders have an entire week's swipes available Saturday and Sunday.

**Guest meals**: May be used by plan holder or their guest and expire the last day of food service each semester. Plan holder may not use their own swipes for guests.

**Dining Dollars**: Unused Dining Dollars from fall semester will still be available in spring up until the last day of food service (May 20, 2020).

**Meal Plan Changes (upgrades)**: Plan holders may change to a more expensive plan any time of the year. Requests submitted to UHS on or before 12:00 noon on Friday will be effective the following Monday morning. Requests submitted after 12:00 noon on Friday will not be effective until the second Monday following the request.

**Meal Plan Changes (downgrades)**: Plan holders may change their meal plan to a less expensive meal plan starting the first day of the semester when housing opens, through and including the last day to add (September 10, 2019 for fall and February 11, 2020 for spring). There are no downgrades allowed after this date.

**Meal Plan Cancellations**: Block Meal Plans are mandatory for freshmen.
