

Petition to Cancel Annual Housing License

Submission of the Petition to Cancel form does not guarantee release from the License Agreement will be approved. It is very difficult to cancel your annual housing license. In order to cancel a license, the CSU Chancellor’s Office requires verification of a significant change in circumstances after the cancellation deadline. **Cancellation requests will only be considered in the event of one of the following circumstances.** Residents will be notified via on-campus mail regarding the status of their petition.

Before proceeding with your petition, please make sure all required documentation is submitted along with the petition.
