

From: Eric Rollerson, Executive Director, University Housing Services
To: SJSU Housing Applicants and Returning Residents
Subject: **Addendum to 2020-2021 Housing License Agreements**
Date: July 14, 2020

For Fall 2020, until otherwise notified the following policies are in effect:

- Residents will not be permitted to bring guests into the building beyond lobbies and common areas without the prior permission of UHS Staff for extenuating circumstances. Only residents who physically reside in a building or appropriate university staff will be permitted to enter the residential floors. Residents may have up to two guests to assist them with moving in. Guests are only permitted in the building for the duration of the move in process.
- Consistent with SJSU and Santa Clara County health guidelines, residents will be required to wear masks at all times in the residential facilities, except when in their own room/apartment.
- Campus community members are encouraged to wear their own personal face covering/mask. Face coverings or masks must be worn by all students, faculty, and staff on campus at all times when indoors, except when alone in a private office with the door closed. Face coverings or masks must also be worn when outside and it is difficult to maintain at least six feet of physical distance from others. Appropriate use of face masks or coverings is critical in minimizing risks to others near you. You could spread COVID-19 to others even if you do not feel sick. The mask or cloth face covering is not a substitute for physical distancing.
- Cloth face coverings must only be worn for one day at a time, and must be properly laundered before use again. Having a week-long supply of cloth face coverings can help reduce the need for daily laundering.

Should you have any questions, please contact us at uhs-frontdesk@sjsu.edu or 408.795.5600.
