Re: Spring 2021 Housing Application

Starting 10am on Monday, October 12th, the application for on-campus housing for the Spring 2021 semester will be available to all Spring 2020 residents. As we shared during the summer, Spring 2020 residents will receive priority in the Spring 2021 housing application process. The Spring 2021 housing application will not be available to new applicants until Monday, October 19th.

Please be aware that the campus is still adhering to Santa Clara County Public Health guidelines in response to COVID-19. In addition, the majority of classes will continue to be online through the Spring 2021 semester.

Although we will start accepting applications for Spring 2021, changes in county guidelines may impact the availability of on campus housing at any time. Further, the changes in housing policies that were implemented at the start of Fall 2020 will continue through the Spring 2021 semester. These changes include the following:

- Residents will not be permitted to bring guests into the building beyond lobbies and common areas without the prior permission of UHS Staff for extenuating circumstances. Only residents who physically reside in a building or appropriate university staff will be permitted to enter the residential floors. This includes not allowing residents of the same building to visit the apartment/room of other residents in the same building. Residents may have up to two guests to assist them with moving in. Guests are only permitted in the building for the duration of the move in process.
- Consistent with SJSU and Santa Clara County health guidelines, residents will be required to wear masks at all times on campus and in the residential facilities, except when in their own room/apartment.

We encourage you to review other changes implemented this Fall that will continue through the Spring 2021 semester. These changes can be found at the links below:
